About **STARING** **MemeCoin**

The fun memecoin experiment everyone's staring at 🙄 Celebrates absurd staring. No roadmap, no dev wallet, no team, no presale, fair launch, no inflation, no promises. Pure chaos and heart. \$STARING celebrates all of us 🙄 and is all of us. Because everyone stares and is stared at.

It's more than just a meme, it's a shared experience, a digital insider's experiment, you're now a part of. Community-driven \$STARING 🙄. Welcome to chaos. Join the stare. Meme. Repeat.

- > GIF lovers — unleash your wildest staring reactions and watch the meme chaos explode.
- > Deadpan enthusiasts — nothing hits harder than staring at your own FOMO.
- > Chaos seekers — no promises, no roadmap, just pure absurdity and laughs.
- > Crypto bros — staring endlessly at charts, praying for pumps, gasping at rekt.
- > Ooglers — staring at those boobs, that ass, or anything your eyes can't unsee.
- > All them ladies — because we love feeding on the energy, or can't ignore giving you that side stare / side eyes.

Now that you've joined the stare — keep scrolling for Tokenomics and the beautiful nonsense behind **\$STARING**.

Demand Drivers: Our brave sentinel went deep into the secrets of Tokenomics & Token Engineering. They came back with **3 pages of notes** that could have wowed anyone... if only we could read them. All we can make out are: "value a crucial," "moot," and "marke. cap...?" (Looks like the universe wants us to fill in the blanks.) So we won't be cruel and we will make caps with cow logos.
